During the Vietnam War, the 281st lost ten men who were deemed missing in action (MIA) and are still unaccounted for. We honor them and work always to ensure they are not forgotten. Our Scholarship Awards are made in honor of those men. Should you receive scholarship support, it will be made in the name of one of our MIA. Your Award will always be named for that same man throughout your college career. You may find more information about our MIA/KIA at our website, 281st.com.
